Miscellany. Selected

The Mexican War. Miramon commenced the siege of Vera Cruze, which was defended by Juraz, on the 5th. On the 6th two steamers appeared before the city, which refused to ed the Saratoga, with detachments from from the Savannah and Orchez on the steamers Indianola and Wave, belonging to Juarez to proceed to the anchorage and ascertain their character. As the Saratoga, towed by the Indianola, approached Capt. Turner sent a boat with a flag to demand the nationality of the steamers .--The boat was fired upon twice, whereupon the Saratoga fired a broadside into the steamers of Miramon, and the action became general. Both steamers now hoisted Spanish colors, and after a spirited engagement, Marin, the Spanish or Mexican commander, surrendered with his men .-The steamer Miramon was boarded at the point of the bayonet. American loss 3 wounded, one mortally. Mexican loss about 15 killed, 20 to 30 wounded. The engagement took place by moonlight.

The names of the captured vessels were Miramon and Marquese. They were fitted out in Havana at the cost of \$300,-000, principally by the Spanish governof the Almont treaty, between Miramon

The prize steamers and prisoners were taken to New Orleans, where the await the

decision of the Court of Admiralty. There were captured with the two steamers, six 22 pounders, six mortars, and 2,000 stand of small arms.
